*I don't often see the LSJ but I did this day and was deeply sadden when I caught Gary's name. I had to take a double take. Over the past few days I have recalled what a great time we all had at Michigan Bankard. It is hard to replace those types of relationships that were developed there. My sincere sympathies to you Sherrie and your family.*

*Tim and I were heartbroken to hear of Gary's passing. As a young gal at Michigan National Bank working for Sherrie (17 years old at the time), I saw this handsome man stride into the department where Sherrie worked and the spark between them was electrifying! I was so jealous! Gary and Sherrie were a match made in heaven, and always thought that they were a model of a perfect couple. One of the things I admired the most was how much he loved the boys as his own. I was lucky to catch up with Gary about a year ago on Linked In. Sherrie, our heart aches for you and I hope you take comfort in knowing that Gary is now one of God's angels! With much love and sorrow. Linda & Tim Puckey*

*Rest in Peace my friend. I will never forget your laugh and beautiful smile. You were such a friend to Brad when he lost his dad and I will never forget that either. Our "old" gang sure had some good times - 50-60's dances, card parties, picnics, football games - and the list goes on and on. Thanks for being a part in all those wonderful memories. You were truly loved by all and will surely be missed!!! P.S. Say Hi to Dick for me - I know you are both together now - probably talking football.*

*I was very saddened to hear of Gary's passing. My mom Sharon Peppel worked with Gary & Sherrie and was very good friends with them. Five years ago they came to Lansing to surprise my Mom at her 70th birthday party. My Mom still talks about the party to this day. We are so sorry. Cathy Haskin & Sharon Peppel*

*I could never express the greatness of Gary Grandy with words. I grew up with him being an inspiration to me through his love and guidance. The example he set for all of those that he came in contact with was that of great respect and care. His knowledge and guidance for his children and grandchildren was awesome and all were treated just like his own. I was blessed immensely to have experienced his care and love. Gary will greatly be missed by me and my family, he will never be forgotten. The impact that he made on all of us is and always will be part of our lives. Love and prayers to Mamma-Sherrie, Chad, Lisa, Zach, Ashley, Menta, Katelyn, Brent, Cole and Jada.*

*Gary will truly be missed! We were new to the Somerset Lake Association and had many questions concerning what and where we could build on our property. Gary came to our home a number of times to explain and demonstrate what was legal and who to contact at the township and county offices. He knew the regulations and was a straight shooter. We always enjoyed just talking about our families and we shared a love for golf. Unfortunately we didn't get to play a round together. His great smile and pleasant personality will be truly missed.*
